Day 1 Hometown- New York City-Night Tour

Welcome to start your tour with us! You can choose any one of the three major airports in New York when book your flight. Our professional tour guide will meet passengers on domestic flights at the baggage claim area and those on international flights at the Customs exit area. While the complimentary airport pick-up service is available between 9 AM and 10PM (actual arrival time), passengers arriving at JFK or LGA before 5PM will receive an additional gift – experiencing Flushing, Queens, an extremely safe and booming neighborhood with many shopping and eating options. Actually, the density of banks there has been only a little lower than Wall Street and the amount of walking people there is only next to Times Square. Besides traditional large-scale stores such as Macy's and Best Buy, you will also have lots more to choose from many small featured stores. Hungry? You can find nearly all name brands of fast food chains and hundreds of options of authentic Asian food. For those of you who prefer EWR, upon arrival you can either take our shuttle to the hotel for some rest or pay mere \$10 for shopping at Jersey Gardens Mall, one of the major outlets in metropolitan New York area. Additional charge for transfers if arriving beyond 10:00pm -

\$120/way based on 2ppl and below, and \$10 more will be charged for each additional ppl. For all customers, as long as you arrive by before 5 PM, you are invited to join our delicately tailored night tour for just \$25 to get an initial contact with this "City that Never Sleeps" – a 3-hour tour stopping at the Rockefeller Center, the Times Square, and the skyline profile from across the Hudson River!

Day 3 New York-Philadelphia-Washington D.C

Yes, it will be a special moment: you will be standing exactly at the location where both the Declaration of Independence and the United States Constitution were debated and adopted. The original Bell, with its distinctive crack, is now on display across the street in the Liberty Bell Center. As the birthplace and the second capital city of this nation, Philadelphia is so historical. 150 miles south away is located our new capital – Washington, D.C. While the White House remains closed to the public, feel free to take photos from its outside. Besides stepping onto Lincoln Memorial, Vietnam and Korean War Memorials, our motorcoach takes you in town passing by the splendid Washington Monument and Jefferson Memorial. The National Air and Space Museum of the Smithsonian Institution, located in the same area called national Mall as the Capitol Hill, holds the largest collection of historic aircraft and spacecraft in the world in 161,145 square feet of exhibition floor space. Still, you surely do not want to miss the opportunity to take our exclusive cruise on Potomac River to explore some best kept secrets in town!

In addition, enjoy the hot glass show performed by some most experienced technicians. Amazed by the deafening roar of both the American and the Horseshoe Falls, you are strolling in the State Park with the mist from both falls spraying up in your face. Maid of the Mist takes you all the way into the water. Catch "Niagara: Legends of Adventure," a dramatic 45-minute IMAX film on the new 45X25-foot screen. Then you can choose either to stay in the Falls Park for self exploration until returning to the hotel or have an in-depth tour (\$25/Adult) by visiting the Hydropower Station and Old Fort Niagara.
