

Yangtze River 5 Days 4 Nights Tour ^{YR5D}

you tell us more about Yangtze River cruise?

The 6300-kilometer-long Yangtze River is the longest river in China. The Yangtze River is normally divided into three parts. The first part is the upstream area from the origin to Yichang, Hubei province; the second part is the midstream area from Yichang to Jiujiang, Jiangxi province; the third part is the downstream area from Jiujiang to the East China Sea. Yangtze River cruise usually refers to the cruise through the Three Gorges that are located between **Chongqing** and **Yichang** in the upstream area. The Three Gorges are Qutang Gorge, Wu Gorge and Xiling Gorge, which are the most beautiful part of the Yangtze River.
